

July 20, 2022

Dear ACCF Supporter,

The Achievement Centers for Children & Families (ACCF) is proud to host our **11th Annual Witches of Delray Beach Charity Bike Ride on Saturday, October 29th**. Atop their broomsticks (bikes), participating witches will take flight at 7:30 a.m. The starting point for this adventure is Delray Beach City Hall, and riders will then proceed through scenic downtown Delray Beach.

The Witches Bike Ride is a signature Delray Beach event, and we invite you to be an integral part by making an in-kind donation. Your gift will be featured at our premiere Silent Auction at the **Annual Witches Brew on Friday, October 21st** at Tim Finnegan's Irish Pub in Delray Beach. In providing this donation, you partner with a reputable, local non-profit celebrating a vibrant 53-year history and receive heightened exposure and visibility to a captive audience.

Funds raised from the Witches' Brew and Charity Bike Ride will benefit the Achievement Centers, a community-based organization dedicated to providing opportunities for under-resourced children and families. The programs at ACCF support educational growth, skill building, and healthy lifestyles. We currently serve 500 local children and families.

We need and appreciate your support. Come join our coven and, together, let's brew up something special! Thank you for your consideration.

Sincerely,

Kaya Barker
