## Summertime At ACCF!!

We are committed to creating memorable experiences for all campers with nine weeks of non-stop fun! We had an exciting selection of activities, theme weeks, and field trips planned to focus on sports, performing arts & STEAM. Some exciting news to share about our teens; we are thrilled to share that we had 31 teens from the ACCF & EJS teen programs working with us as CIT campers this summer!

## Back to School Soon!

We LOVED summertime~ Field trips were back, and our campers, teens, and staff were thrilled! ACCF learned, played, celebrated, and built awareness this Summer! A big thanks to our incredible staff and passionate supporters for all you do every day.

Our campers went to the Museum of Discovery and Science and had a blast mixing fun with learning! Also our ACCF staff transformed the classrooms into different themes for the campers to play, learn and explore. Learning Safari, Science Exploration, and Building Connections were the favorites!

## ACCF News

Achievement Centers for Children and Families completed the 2022 Accreditation for Excellence in Nonprofit Management accreditation process from Nonprofits First. We are honored to receive the accreditation! We thank our ACCF leadership team, staff, and board for their dedication, commitment, and effort.

ACCF received a grant from the Honda Classic Cares organization! We had the honor of taking the fundraising arm for the Honda Classic, the "Couture Club," on a tour of our main campus and then attending the Honda Classic Cares Celebration of Philanthropy. In this picture you can see the ladies checking out our Little Free Food Pantry. We look forward to building a solid relationship with the Honda Classic Cares team!

## ACCF Teens Workshop!

We hosted a teen racial equity workshop this summer for 33 teens between the EJS project and the ACCF teen Program. We are thankful to our incredible partners who support our teen program and expose our youth to this impactful workshop.
